ZHAO L *et al.* Mortality of frail elderly people living at home in relation to housing conditions, **298**

Journal of Epidemiology and Community Health, 1993; **47**, 520–525

Subject Index to volume 47, 1993

A

ABO blood groups, and ovarian cancer, **287**

Abortion
- high rates, inner city area of London, challenge of reducing, **409** *abs*
- induced, as risk factor for secondary infertility, Greece, **36**

Accident and emergency departments
- differences in triage priorities, nurses/consultants, **312**
- estimating prevalence of "inappropriate" attendance, **411** *abs*

Accident prevention and disability in young adults, **349**

Accidents and emergencies, ophthalmological, presenting to hospital, pattern, **382**

Adelstein, Abe, and the Manchester connection: *editorial*, **1**

Adenocarcinoma, oesophagus, increasing incidence, Mersey region, 1963-1987, **399** *abs*

Ageing
- in the developing world, neglected challenge, **402** *abs*
- and later life: *editorial*, **81**

AIDS
- education programme for young adults, evaluation, **134**
- patterns of hospital care, **232**
- use of covariance structure analysis for follow up study, **414** *abs*

Air pollution
- and acute morbidity, innovative use of general practice records, **402** *abs*
- lagged effects of temperature, and mortality, Netherlands, 1979-87, **121**

Alcohol consumption
- and risk of acute myocardial infarction, women, **308**
- smoking, and other social factors, effect on birth weight, **420** *abs*
- variability of self reported measures, implications for pregnancy/birthweight, **326**

Alcohol intake as risk factor for peripheral arterial disease, **418** *abs*

Alpha-fetoprotein, maternal serum, screening for Down's syndrome, assessment of epidemiological impact, Glasgow, **405** *abs*

Antenatal carrier screening for cystic fibrosis, comparative evaluation of two approaches, **405** *abs*

Antenatal detection of small for gestational age fetus in a regional health authority, **419** *abs*

Anticoagulant treatment, patients' understanding, audit, **417** *abs*

Anticoagulation outpatients, management, audit, **417** *abs*

Antioxidant status, sunlight exposure, and cataract, Hong Kong fishermen, **46**

Appendicectomy, descriptive epidemiology, Oxford region, **425** *abs*

Asthma
- occupational, reported incidence, United Kingdom, 1989-90, **459**
- prevalence near power stations, **282**

Attrition, impact on a follow up of 1984/5 Health and Lifestyle Survey sample, **396** *abs*

Audit
- does it change practice? **423** *abs*
- first step to involving pharmacists in health services research, **423** *abs*
- of management of anticoagulation outpatients, **417** *abs*
- medical, small scale, is selection bias a problem? **407** *abs*
- of patients' understanding of anticoagulant treatment, **417** *abs*

Australia, age related macular degeneration, prevalence in persons aged 50 years and over, **42**

B

Babies, screening for neuroblastoma, parental anxiety in false positive cases, **415** *abs*

Bed use, and patient hotels: *editorial*, **341**, **368**, **411** *abs*

Belgium, Mediterranean migrants, uptake of preventive health care, **10**

Birth
- adverse outcome, Pakistani Muslim families, causal modelling, **421** *abs*
- changing seasonality, possible environmental effect?, **362**
- maturity and size, North East Thames, 1989-90, **420** *abs*
- prevalence of malformations after matings between members of different ethnic groups, **406** *abs*
- thinness, northern industrial town, **255**

Birth weight
- association with maternal self reported alcohol consumption, **326**
- and body mass index in childhood, adolescence, and adulthood as predictors of blood pressure at age 36, **432**
- and changes in women's socioeconomic status, **420** *abs*
- effect of smoking, alcohol consumption, and other social factors, **420** *abs*
- frequency of seafood intake in pregnancy as determinant, **436**
- and selective migration: *correspondence*, **76**, **336**

Blood pressure at age 36, birth weight and body mass index in childhood, adolescence, and adulthood as predictors, **432**

Body fat, exercise, and cigarette smoking, lifelong patterns, and stroke, **417** *abs*

Body mass index
- in childhood, adolescence, and adulthood, and birth weight, as predictors of blood pressure at age 36, **432**
- and duration of breast feeding: *correspondence*, **508**
- and prevalence of obesity, Swedish men, trends, 1980-89, **103**
- trends, and prevalence of obesity, Swedish women, 1980-89, **195**

Bradford, ethnic differences in risk markers for heart disease, **89**

Breast cancer
- primary, in women under 50 years of age, variation in incidence and management, **400** *abs*
- and screening, attitudes to, non-response bias and replacement of non-responders in an inner city survey, **412** *abs*
- survival, stage at presentation and socioeconomic deprivation, **400** *abs*

Breast feeding
- duration, and BMI: *correspondence*, **508**
- and onset of rheumatoid arthritis, **402** *abs*

Broadwater Farm Estate, survey of health needs, **413** *abs*

Burns, epidemiology, rural Ethiopia, **19**

C

Cancer
- distribution, epidemiological trend, Kashmir Valley, **290**
- dying patients, what's really happening now? **410** *abs*
- and HIV/AIDS patients, palliative care, what are the differences? **422** *abs*
- invasive, relative survival in Wessex compared with other regions, **400** *abs*
- patients, case-control studies as surveillance system of occupation exposure, European community, **320**
- registration of malignant melanoma, problems, and monitoring trends in incidence, England, **399** *abs*
- registration, uses in research, and confidentiality in the EC: *comment*, **342**

in young people, north of England, 1968-85, analysis by census wards, **109**
Capitation, weighted, and relationship between financial allocations and potential life lost, **424** *abs*
Cardiorespiratory disease in 15 411 men and women in an urban population, mortality after 15 years, **402** *abs*
